STATUTORY WILLS AND GIFTS IN THE COURT OF PROTECTION

We are delighted to be joined by Richard Dew, an experienced barrister and recognised specialist in Court of Protection litigation, and John Howard, from the Official Solicitor's Office, who brings extensive practical insight from his work acting for P in complex property and affairs matters.

Richard and John will be discussing Statutory Wills and Lifetime Gifts, providing:

- An overview of recent case law developments,
- key legal principles arising from recent judgments,
- insights into how the Court approaches disputed applications,
- practical guidance for practitioners on preparing and presenting applications, including common pitfalls and practical tips.

This session is intended to offer both an update and a practitioner-focused perspective, with time for questions and discussion.

We look forward to seeing you; nibbles and refreshments will be provided after the event and is sponsored by Withers LLP.
