

Hosted by:
CoPPA North West

Promoting brain injury awareness and Alternative & Augmentative Communication (AAC)

This seminar brings together Ben Shevlin and Gregor Gilmour to talk about their individual experiences and achievements.

Speakers:

Ben Shevlin, is a budding stand-up comedian who suffered serious head injuries in a motorbike accident in 2003 & has devoted himself to promoting brain injury awareness.

Gregor Gilmour, of AT Therapy is a 1voice member, role model and an AAC mentor who will be speaking about his role in supporting and mentoring other users of AAC devices.
