Modernising LPAs – the Law Society View

Holly Mieville-Hawkins, Senior Associate, Michelmores LLP and member Law Society Wills and Equity Committee

CoPPA London is delighted to invite you to our first in-person event since the start of the pandemic. Please join us for drinks and to catch up with like-minded colleagues old and new, many of whom we haven't seen for many months.

We will also be joined by Holly Mieville-Hawkins who will talk to us about the recent consultation on the modernisation of LPAs, the Law Society's response and what might lie in store for practitioners if some of the proposals go through.

We hope you will be able to join us for some interesting conversation and some much needed pre-festive cheer.
