Mental Health Act Reforms and their impact on the Mental Capacity Act 2005

Speakers: Rachael Watkinson, Legal Director, Hill Dickinson Solicitors

Holly Littlewood, Counsel, Spire Chambers

At the start of the event, the committee will hold the COPPA NW Annual General Meeting to be followed by an informative discussion about the changes to the mental health legislation introduced by the Mental Health Act 2025 which have come into force this year. In particular, the talk will address the interaction with the Mental Capacity Act 2005 and the position following the Supreme Court judgment in the Northern Ireland case (AGNI) in relation to deprivation of liberty.
